Accessing MLP on eCourseware

Both Faculty & Students access MyLabsPlus through myMemphis:

Go to myMemphis and click on eCampus Resources

Click on Courseware
Accessing MLP on eCourseware

Click on your course, I’m clicking on my MATH 1730.001 course:

Click on Content;
Accessing MLP on eCourseware

Click on MyLabsPlus:
Accessing MLP on eCourseware

The first time, students either enter their purchased access code on the first day of class, or they must select Temporary Access.

Then "Your Temporary Access Code:" will appear with a long set of capital letters. Copy that code. Return to Course Home. Click on enter code in one box. Paste the code and submit.
